Social Science Statistics

RRID:SCR_016762

Type: Tool

Proper Citation

Social Science Statistics (RRID:SCR_016762)

Resource Information

URL: <https://www.socscistatistics.com/>

Proper Citation: Social Science Statistics (RRID:SCR_016762)

Description: Web site for resources (statistical calculators, p-value calculators, descriptive statistics) for students and researchers working with statistics in the social sciences. All the calculators and tools have been designed with ease of use.

Synonyms: socscistatistics

Resource Type: analysis service resource, data access protocol, data analysis service, data analysis software, data processing software, production service resource, service resource, software application, software resource, web service

Keywords: Statistics, calculator, social, science, student, researcher

Availability: Free, Freely available

Resource Name: Social Science Statistics

Resource ID: SCR_016762

Record Creation Time: 20220129T080332+0000

Record Last Update: 20260829T182742+0000

Ratings and Alerts

No rating or validation information has been found for Social Science Statistics.

No alerts have been found for Social Science Statistics.

Data and Source Information

Usage and Citation Metrics

We found 297 mentions in open access literature.

Listed below are recent publications. The full list is available at [NIF](#) .

Amaral G, et al. (2026) Performance of the Xpert Xpress Strep A for detection of *Streptococcus pyogenes* from pediatric pleural fluids. *Microbiology spectrum*, 14(6), e0370325.

Boris JR, et al. (2026) Patient Characteristics of a Telemedicine Clinic for Pediatric and Young Adult Postural Orthostatic Tachycardia Syndrome. *Journal of clinical medicine*, 15(4).

Buni D, et al. (2026) Identification and detection of genetic markers associated with antimicrobial susceptibility and evaluation of efflux pump mechanisms in *Mycoplasma iowae*. *PloS one*, 21(4), e0347345.
