Proper Citation: IBM® MarketScan® Research Databases (RRID:SCR_017212)

Description: Software suite of proprietary databases that contain one of longest running and largest collection of privately and publicly insured, de identified patient data in USA. Family of data sets that fully integrate many types of data for healthcare research.

Resource Type: data or information resource, database, data set

Keywords: Database, dataset, collection, patient, data, healthcare

Availability: Available for purchase

Resource Name: IBM® MarketScan® Research Databases

Resource ID: SCR_017212

Record Creation Time: 20220129T080334+0000

Record Last Update: 20260731T043007+0000
