RaptorX

RRID:SCR_018118

Type: Tool

Proper Citation

RaptorX (RRID:SCR_018118)

Resource Information

URL: <http://raptorx.uchicago.edu/>

Proper Citation: RaptorX (RRID:SCR_018118)

Description: Software package and web server for protein structure and function prediction. Used for predicting 3D structures for protein sequences without close homologs in Protein Data Bank. Given input sequence, predicts its secondary and tertiary structures, contacts, solvent accessibility, disordered regions and binding sites. Assigns some confidence scores to indicate quality of predicted 3D model.

Resource Type: data access protocol, simulation software, software resource, web service, software application

Defining Citation: [PMID:21987485](#)

Keywords: Protein structure predictor, 3D structure, protein sequence, secondary and tertiary structure, binding site, solvent accessibility, disordered region, bio.tools

Funding: NIGMS R01 GM089753;
NSF DBI 0960390

Availability: Restricted

Resource Name: RaptorX

Resource ID: SCR_018118

Alternate IDs: biotools:raptorx

Alternate URLs: <https://bio.tools/raptorx>

Record Creation Time: 20220129T080338+0000

Record Last Update: 20260731T043018+0000

Ratings and Alerts

No rating or validation information has been found for RaptorX.

No alerts have been found for RaptorX.
