Chicago University Human Imaging Research Office Core Facility (RRID:SCR_018372)

Resource Information

URL: https://hiro.bsd.uchicago.edu/

Proper Citation: Chicago University Human Imaging Research Office Core Facility (RRID:SCR_018372)

Description: Assists University of Chicago investigators and research staff with medical imaging exams performed on human subjects for research purposes. Services include acquisition, analysis, collection, de-identification and distribution of image data for basic science research and clinical trials. Services ensure research-related imaging fulfills protocol requirements and allow investigators to obtain HIPAA- and IRB-compliant clinical research data. Provides services for all types of medical imaging, including x-ray, CT, MRI, ultrasound, nuclear medicine, PET, and most types of specialty imaging.

Abbreviations: HIRO

Synonyms: Human Imaging Research Office

Resource Type: core facility, service resource, access service resource

Keywords: Medical imaging, medical imaging exam, human subject, image data acquisition, image data anaysis, image data collection, image data distribution, core facility, ABRF, ABRF

Availability: Restricted

Resource Name: Chicago University Human Imaging Research Office Core Facility

Resource ID: SCR_018372

Alternate IDs: ABRF_806

Alternate URLs: https://coremarketplace.org/?FacilityID=806

Record Creation Time: 20220129T080340+0000

Record Last Update: 20260810T040733+0000

Ratings and Alerts

No rating or validation information has been found for Chicago University Human Imaging Research Office Core Facility.
