Proper Citation: scales (RRID:SCR_019295)

Description: Software R package as scale functions for visualization. Graphical scales map data to aesthetics, and provide methods for automatically determining breaks and labels for axes and legends.

Resource Type: data processing software, data visualization software, software application, software resource, software toolkit

Keywords: Scale functions, visualization, graphical scales, map data, axes, determining breaks, legend, determining labels

Availability: Free, Available for download, Freely available

Resource Name: scales

Resource ID: SCR_019295
