## Penn State Hershey College of Medicine Clinical Research Biospecimen Core Facility

RRID:SCR\_021194

Type: Tool

---

### Proper Citation

Penn State Hershey College of Medicine Clinical Research Biospecimen Core Facility  
(RRID:SCR\_021194)

---

### Resource Information

**URL:** <https://med.psu.edu/core/specimen-processing>

**Proper Citation:** Penn State Hershey College of Medicine Clinical Research Biospecimen Core Facility (RRID:SCR\_021194)

**Description:** Process, store and ship clinical trial samples from IRB approved studies. Collect remnant samples for outside company for instrument correlation, validation and specimen type verification with IRB approved protocol. CLIA Waiver for urine pregnancy, urine dipstick results for participant study treatment.

**Synonyms:** Pathology and Specimen Processing, CSPC-Clinical Specimen Processing Core

**Resource Type:** core facility, service resource, access service resource

**Keywords:** ABRF, pathology and specimen processing, centralized service, human subject research samples distribution,

**Availability:** open

**Resource Name:** Penn State Hershey College of Medicine Clinical Research Biospecimen Core Facility

**Resource ID:** SCR\_021194

**Alternate IDs:** ABRF\_1175

**Alternate URLs:** <https://coremarketplace.org/?FacilityID=1175>

**Record Creation Time:** 20220129T080354+0000

**Record Last Update:** 20260810T040730+0000
