Data independent acquisition proteomics workbench

RRID:SCR_021862

Type: Tool

Proper Citation

Data independent acquisition proteomics workbench (RRID:SCR_021862)

Resource Information

URL: <https://usegalaxy.eu>

Proper Citation: Data independent acquisition proteomics workbench (RRID:SCR_021862)

Description: Software tools for analysis of data independent acquisition type proteomics data are implemented in Galaxy framework. Enables complete DIA data analysis including spectral library generation based on DDA type data, analysis of DIA data in raw or mzml format, and differential statistical analysis. All tools are based on open-source software such as diypasef, OpenSwath, swath2stats and MSstats.

Resource Type: software resource, software toolkit

Defining Citation: [DOI:10.1101/2021.07.21.453197](https://doi.org/10.1101/2021.07.21.453197)

Keywords: data independent acquisition, proteomics data, Galaxy framework,

Funding:

Availability: Free, Freely available

Resource Name: Data independent acquisition proteomics workbench

Resource ID: SCR_021862

Record Creation Time: 20220129T080357+0000

Record Last Update: 20250513T062212+0000

Ratings and Alerts

No rating or validation information has been found for Data independent acquisition proteomics workbench.

No alerts have been found for Data independent acquisition proteomics workbench.
