Cold Spring Harbor Laboratory Flow Cytometry Shared Resource Core Facility

RRID:SCR_022164

Type: Tool

Proper Citation

Cold Spring Harbor Laboratory Flow Cytometry Shared Resource Core Facility
(RRID:SCR_022164)

Resource Information

URL: <https://www.cshl.edu/research/cancer/flow-cytometry/>

Proper Citation: Cold Spring Harbor Laboratory Flow Cytometry Shared Resource Core Facility (RRID:SCR_022164)

Description: Resource provides equipment, training, and operating assistance for cell sorting and analysis. Facility staff oversees equipment maintenance, trains new users, and assists with assay development and operation of equipment.

Abbreviations: CSHL

Synonyms: CSHL - Flow Cytometry Shared Resource, Cold Spring Harbor Laboratory Flow Cytometry Shared Resource

Resource Type: core facility, access service resource, service resource

Keywords: USEEdit, ABRF, flow cytometry

Funding: NCI

Availability: open

Resource Name: Cold Spring Harbor Laboratory Flow Cytometry Shared Resource Core Facility

Resource ID: SCR_022164

Alternate IDs: ABRF_1336

Alternate URLs: <https://coremarketplace.org/?FacilityID=1336>

Record Creation Time: 20220421T050139+0000

Record Last Update: 20260808T190656+0000

Ratings and Alerts

No rating or validation information has been found for Cold Spring Harbor Laboratory Flow Cytometry Shared Resource Core Facility.

No alerts have been found for Cold Spring Harbor Laboratory Flow Cytometry Shared Resource Core Facility.
