Proper Citation: University of Pennsylvania Perelman School of Medicine Transgenic and Chimeric Mouse Core Facility (RRID:SCR_022388)

Description: Facility provides centralized service to efficiently produce genetically altered mice for basic research. They include transgenic, chimeric and genome edited mice carrying transgenes or gene knockout and Knockin of specific interest. Core also provides embryo and sperm cryopreservation as well as in vitro fertilization and re-derivation of live and cryopreserved lines, along with long-term storage of cryopreserved samples.

Synonyms: Transgenic and Chimeric Mouse Facility, University of Pennsylvania Perelman School of Medicine Transgenic and Chimeric Mouse Facility

Resource Type: core facility, access service resource, service resource

Keywords: USEDit, ABRF

Resource Name: University of Pennsylvania Perelman School of Medicine Transgenic and Chimeric Mouse Core Facility

Resource ID: SCR_022388
