Proper Citation: University of Pennsylvania Perelman School of Medicine CUBIC (HPC Cluster) (RRID:SCR_022406)

Description: Linux based High Performance Computing resource available to faculty conducting research related to medical imaging and informatics. There are over 150 compute nodes with more than 5000 Intel Xeon CPUs and 58TB of RAM, over 100 GPUs, and 600TB of storage in the cluster. Facility management structure is designed to encourage data sharing and use of common software on this powerful resource, particularly in development of new software and application of imaging to new domains.

Synonyms: CUBIC (HPC Cluster), University of Pennsylvania Perelman School of Medicine CUBIC (HPC Cluster)

Resource Type: core facility, service resource, access service resource

Keywords: USEDit, ABRF

Resource Name: University of Pennsylvania Perelman School of Medicine CUBIC (HPC Cluster)

Resource ID: SCR_022406

Alternate IDs: ARBF_1412

Alternate URLs: <https://coremarketplace.org?citation=1&FacilityID=1412>

Record Creation Time: 20220602T050140+0000

Record Last Update: 20260810T040755+0000

Ratings and Alerts

No rating or validation information has been found for University of Pennsylvania Perelman School of Medicine CUBIC (HPC Cluster).

No alerts have been found for University of Pennsylvania Perelman School of Medicine CUBIC (HPC Cluster).
