URL: <u>https://med-upenn.corefacilities.org/service_center/show_external/5828?name=acc-electronic-phenotyping-resource</u>

Proper Citation: University of Pennsylvania Electronic Phenotyping Resource Core Facility (RRID:SCR_022715)

Description: Shared resource dedicated to unlocking power of electronic health records for clinical and translational research in cancer care. Electronic phenotyping involves querying electronic health record systems and other clinical information systems and databases to identify patients who meet specific set of clinical characteristics. Can be used to support clinical and translational research pursuits, such as hypothesis generation, retrospective data gathering and hypothesis testing, research planning and grant preparation, subject recruitment for prospective clinical trials, and development of prospective research registries. Provides consultative and technical services.

Abbreviations: EPR

Synonyms: University of Pennsylvania Electronic Phenotyping Resource, Electronic Phenotyping Resource

Resource Type: core facility, service resource, access service resource

Keywords: USEDit, ABRF, electronic health records, clinical and translational research, cancer care, querying electronic health record systems, identify patients
