Fujifilm VisualSonics Vevo 770 Imaging System

RRID:SCR_022921
Type: Tool

Proper Citation

Fujifilm VisualSonics Vevo 770 Imaging System (RRID:SCR_022921)

Resource Information

URL: https://www.visualsonics.com/product/imaging-systems/vevo-770

Proper Citation: Fujifilm VisualSonics Vevo 770 Imaging System (RRID:SCR_022921)

Description: High resolution in vivo imaging system for small animal research. Provides visualization and measurement of anatomical and hemodynamic function in small animals down to 30 microns.

Synonyms: Vevo 770 High-Resolution In Vivo Micro-Imaging System

Resource Type: instrument resource

Keywords: Echocardiogram, Fujifilm, vivo imaging system, small animal research, anatomical and hemodynamic function in small animals, visualization and measurement, instrument, equipment, USEDit

Funding:

Resource Name: Fujifilm VisualSonics Vevo 770 Imaging System

Resource ID: SCR_022921

Alternate URLs: https://www.visualsonics.com/news-archives/visualsonics-introduces-next-generation-vevo-770%E2%84%A2-high-resolution-vivo-imaging-system

Record Creation Time: 20221026T050203+0000

Record Last Update: 20250420T015237+0000

Ratings and Alerts

No rating or validation information has been found for Fujifilm VisualSonics Vevo 770 Imaging System.

No alerts have been found for Fujifilm VisualSonics Vevo 770 Imaging System.
