Type: Tool

Proper Citation

National Jewish Health Genomics Core Facility (RRID:SCR_023051)

Resource Information

URL: <https://www.nationaljewish.org/research-science/programs-depts/center-for-genes-environment-and-health/genomics-facility>

Proper Citation: National Jewish Health Genomics Core Facility (RRID:SCR_023051)

Description: Facility housed within Center for Genes, Environment and Health, provides Next-Gen Sequencing services from expert planning through data analysis including RNA-Seq, Whole Exome Sequencing, Single-Cell sequencing and customized panels. Data is stored onsite and is ready for future data mining by our team or others when needed. Our team is trained to utilize both Illumina and Thermo Ion Sequencing Platforms, including many other technologies, to provide the best mix of capabilities for your genomics needs.

Synonyms: National Jewish Health Genomics Facility

Resource Type: core facility, access service resource, service resource

Keywords: USEEdit, ABRF, Next-Gen Sequencing services

Resource Name: National Jewish Health Genomics Core Facility

Resource ID: SCR_023051

Alternate IDs: ABRF_1652

Alternate URLs: <https://coremarketplace.org/?FacilityID=1652&citation=1>

Record Creation Time: 20221217T050200+0000

Record Last Update: 20260811T043716+0000

Ratings and Alerts

No rating or validation information has been found for National Jewish Health Genomics Core Facility.

No alerts have been found for National Jewish Health Genomics Core Facility.
