Proper Citation: PlasmidID (RRID:SCR_024166)

Description: Software mapping based, assembly assisted plasmid identification tool that analyzes and gives graphic solution for plasmid identification. Computational pipeline implemented in BASH that maps Illumina reads over plasmid database sequences.

Synonyms: plasmidid

Resource Type: software application, software resource, data analysis software, data processing software

Keywords: plasmid identification, analyzes and gives graphic solution for plasmid identification, maps Illumina reads, plasmid database sequences,

Availability: Free, Available for download, Freely available,

Resource Name: PlasmidID

Resource ID: SCR_024166
