Resource Information

URL: https://topospro.com/software/

Proper Citation: ToposPro (RRID:SCR_024496)

Description: Software package for analysis of geometrical and topological properties of periodic structures including crystals, networks, tilings.ToposPro was tailored to process large samples of crystallographic data and to find correlations between structure parameters.

Resource Type: software resource, data analysis software, software application, data processing software

Keywords: geometrical and topological properties analysis, crystals, networks, tilings, periodic structures analysis,

Funding:

Availability: Free, Available for download, Freely available

Resource Name: ToposPro

Resource ID: SCR_024496

Record Creation Time: 20231002T161336+0000

Record Last Update: 20250514T062013+0000
