Wound Healing Tool

RRID:SCR_025260

Type: Tool

Proper Citation

Wound Healing Tool (RRID:SCR_025260)

Resource Information

URL:

https://github.com/MontpellierRessourcesImagerie/imagej_macros_and_scripts/wiki/Wound-Healing-Tool

Proper Citation: Wound Healing Tool (RRID:SCR_025260)

Description: Software tool to analyze scratch assays. It measures the area of wound in cellular tissue on stack of images representing time-series.

Synonyms: MRI Wound Healing Tool

Resource Type: image analysis software, software resource, software application, 2d time-series analysis software, data analysis software, time-series analysis software, data processing software

Keywords: Scratch assay analysis, wound area measurement, tissue image, images representing time-series,

Availability: Free, Freely available,

Resource Name: Wound Healing Tool

Resource ID: SCR_025260

Record Creation Time: 20240413T053252+0000

Record Last Update: 20260808T190722+0000

Ratings and Alerts

No rating or validation information has been found for Wound Healing Tool.

No alerts have been found for Wound Healing Tool.
