University of Virginia School of Medicine Biomolecular Magnetic Resonance Core Facility

RRID:SCR_025469

Type: Tool

Proper Citation

University of Virginia School of Medicine Biomolecular Magnetic Resonance Core Facility
(RRID:SCR_025469)

Resource Information

URL: <https://med.virginia.edu/biomolecular-magnetic-resonance-facility/>

Proper Citation: University of Virginia School of Medicine Biomolecular Magnetic Resonance Core Facility (RRID:SCR_025469)

Description: Facility has NMR spectrometers used to execute experiments typically used for structure elucidation and dynamics characterization of both small and large (ie. protein) molecules in solution. All spectrometers are connected to the internet. Data can be readily transferred for remote processing and the campus has a site license for Mestrenova NMR data processing and visualization software. Assistance is available for all who wish to use NMR spectroscopy. Advice on all aspects of solution NMR spectroscopy is available from the facility manager.

Synonyms: , Biomolecular Magnetic Resonance Facility, UVA School of Medicine Biomolecular Magnetic Resonance Facility

Resource Type: access service resource, service resource, core facility

Keywords: Biomolecular magnetic resonance, magnetic resonance,

Availability: Restricted

Resource Name: University of Virginia School of Medicine Biomolecular Magnetic Resonance Core Facility

Resource ID: SCR_025469

Alternate IDs: ABRF_2822

Alternate URLs: <https://coremarketplace.org/?FacilityID=2822&citation=1>

Record Creation Time: 20240712T053246+0000

Record Last Update: 20260818T043801+0000

Ratings and Alerts

No rating or validation information has been found for University of Virginia School of Medicine Biomolecular Magnetic Resonance Core Facility.

No alerts have been found for University of Virginia School of Medicine Biomolecular Magnetic Resonance Core Facility.
