tRNA Analysis of eXpression

RRID:SCR_025486

Type: Tool

Proper Citation

tRNA Analysis of eXpression (RRID:SCR_025486)

Resource Information

URL: <https://trna.ucsc.edu/tRAX/>

Proper Citation: tRNA Analysis of eXpression (RRID:SCR_025486)

Description: Software package built for in-depth analyses of tRNA-derived small RNAs (tDRs), mature tRNAs, and inference of RNA modifications from high-throughput small RNA sequencing data. Used for integrating analysis of tRNAs, tRNA-derived small RNAs, and tRNA modifications.

Abbreviations: tRAX

Synonyms: tRNA Analysis of eXpression (tRAX)

Resource Type: data analysis software, data processing software, software application, software resource

Defining Citation: [DOI:10.1101/2022.07.02.498565](https://doi.org/10.1101/2022.07.02.498565), [PMID:26214130](https://pubmed.ncbi.nlm.nih.gov/35411110/)

Keywords: tRNA-derived small RNAs, mature tRNAs, inference of RNA modifications, high-throughput small RNA sequencing data,

Funding: NHGRI R01HG006753

Availability: Free, Available for download, Freely available,

Resource Name: tRNA Analysis of eXpression

Resource ID: SCR_025486

Record Creation Time: 20240716T053232+0000

Record Last Update: 20260904T000926+0000

Ratings and Alerts

No rating or validation information has been found for tRNA Analysis of eXpression.

No alerts have been found for tRNA Analysis of eXpression.
