Behavioral Observation Research Interactive Software

RRID:SCR_025700

Type: Tool

Proper Citation

Behavioral Observation Research Interactive Software (RRID:SCR_025700)

Resource Information

URL: <https://www.boris.unito.it/>

Proper Citation: Behavioral Observation Research Interactive Software (RRID:SCR_025700)

Description: Multiplatform standalone program that allows user-specific coding environment to be set for computer-based review of previously recorded videos or live observations. Allows project-based ethogram to be defined that can then be shared with collaborators, or can be imported or modified. Event logging software for video/audio coding and live observations. BORIS is a free and open-source software available for GNU/Linux, Windows and MacOS.

Abbreviations: BORIS

Resource Type: software application, source code, standalone software, software resource

Defining Citation: [DOI:10.1111/2041-210X.12584](https://doi.org/10.1111/2041-210X.12584)

Keywords: Event logging software, recorded videos, live observations, video coding, audio coding, behavioural sciences,

Availability: Free, Available for download, Freely available

Resource Name: Behavioral Observation Research Interactive Software

Resource ID: SCR_025700

Alternate URLs: <https://github.com/olivierfriard/BORIS>

License: GNU GPL v3

Record Creation Time: 20240907T053256+0000

Record Last Update: 20260811T043759+0000

Ratings and Alerts

No rating or validation information has been found for Behavioral Observation Research Interactive Software.

No alerts have been found for Behavioral Observation Research Interactive Software.
