Conditional AutoRegressive Deconvolution

RRID:SCR_026310

Type: Tool

Proper Citation

Conditional AutoRegressive Deconvolution (RRID:SCR_026310)

Resource Information

URL: <https://github.com/YingMa0107/CARD/>

Proper Citation: Conditional AutoRegressive Deconvolution (RRID:SCR_026310)

Description: Software R package for spatial transcriptomics. Deconvolution method that combines cell-type-specific expression information from single-cell RNA sequencing (scRNA-seq) with correlation in cell-type composition across tissue locations.

Abbreviations: CARD

Synonyms: , CARD: Conditional AutoRegressive Deconvolution, Conditional autoregressive-based deconvolution

Resource Type: software resource, software toolkit, source code

Defining Citation: [PMID:35501392](#)

Keywords: Deconvolution method, spatial transcriptomics, cell-type-specific expression, single-cell RNA sequencing, cell-type composition across tissue locations,

Funding: NHGRI R01HG011883;
NIGMS R01GM126553;
NIGMS R01GM144960

Availability: Free, Available for download, Freely available

Resource Name: Conditional AutoRegressive Deconvolution

Resource ID: SCR_026310

License: GNU GPL v3

Record Creation Time: 20250118T053338+0000

Record Last Update: 20260912T200502+0000

Ratings and Alerts

No rating or validation information has been found for Conditional AutoRegressive Deconvolution.

No alerts have been found for Conditional AutoRegressive Deconvolution.
