University of Kentucky Research Mass Spectrometry and Proteomics Core Facility

RRID:SCR_026359

Type: Tool

Proper Citation

University of Kentucky Research Mass Spectrometry and Proteomics Core Facility
(RRID:SCR_026359)

Resource Information

URL: <https://www.research.uky.edu/mass-spectrometry-and-proteomics-core>

Proper Citation: University of Kentucky Research Mass Spectrometry and Proteomics Core Facility (RRID:SCR_026359)

Description: Mass spectrometry core lab performing proteomics, small molecule, and lipidomic analyses. Provides access to advanced analytical equipment for quantitation and structural analysis. Offers assistance in sample preparation, method development, acquisition, and data analysis.

Synonyms: , University of Kentucky Research Mass Spectrometry and Proteomics Core, Research Mass Spectrometry and Proteomics Core

Resource Type: core facility, access service resource, service resource

Keywords: ABRF, mass spectrometry, proteomics, small molecules, lipidomics, quantitation and structural analysis, analytical equipment,

Resource Name: University of Kentucky Research Mass Spectrometry and Proteomics Core Facility

Resource ID: SCR_026359

Alternate IDs: ABRF_3034

Alternate URLs: <https://coremarketplace.org/?FacilityID=3034&citation=1>

Record Creation Time: 20250201T053323+0000

Record Last Update: 20260819T044620+0000

Ratings and Alerts

No rating or validation information has been found for University of Kentucky Research Mass Spectrometry and Proteomics Core Facility.

No alerts have been found for University of Kentucky Research Mass Spectrometry and Proteomics Core Facility.
