Beth Israel Deaconess Medical Center Biomarker and Metabolism Research Core Facility

RRID:SCR_026518

Type: Tool

Proper Citation

Beth Israel Deaconess Medical Center Biomarker and Metabolism Research Core Facility (RRID:SCR_026518)

Resource Information

URL: <https://resuscitationscience.com/biomarker-assay-instrumentation/>

Proper Citation: Beth Israel Deaconess Medical Center Biomarker and Metabolism Research Core Facility (RRID:SCR_026518)

Description: Core provides access to XFe 96 Extracellular Flux Analyzer, seahorse technology, as well as additional services that include technical advice in experimental design, data analysis and basic training. Provides access to electrochemiluminescence immunoassays using MESO QuickPlex SQ 120. You can perform multiplex biomarker and cytokine assays, test for immunogenicity or toxicity, or we can help you develop your own unique assays. Core also provides access to ImageXpress Pico, the next generation of digital microscopy and access to SPECTRAMAX I3X, multi-mode microplate reader.

Synonyms: Biomarker and Metabolism Research Core

Resource Type: core facility, service resource, access service resource

Keywords: ABRF, XFe 96 Extracellular Flux Analyzer, seahorse technology, MESO QuickPlex SQ 120, ImageXpress Pico, SPECTRAMAX I3X,

Resource Name: Beth Israel Deaconess Medical Center Biomarker and Metabolism Research Core Facility

Resource ID: SCR_026518

Alternate IDs: ABRF_3064

Alternate URLs: <https://coremarketplace.org/?FacilityID=3064&citation=1>

Record Creation Time: 20250305T060326+0000

Record Last Update: 20260810T040910+0000

Ratings and Alerts

No rating or validation information has been found for Beth Israel Deaconess Medical Center Biomarker and Metabolism Research Core Facility.

No alerts have been found for Beth Israel Deaconess Medical Center Biomarker and Metabolism Research Core Facility.
