University of Michigan Medical School BRCF Metabolomics Core Facility

RRID:SCR_026721

Type: Tool

Proper Citation

University of Michigan Medical School BRCF Metabolomics Core Facility
(RRID:SCR_026721)

Resource Information

URL: <https://medresearch.umich.edu/office-research/about-office-research/biomedical-research-core-facilities/metabolomics-core>

Proper Citation: University of Michigan Medical School BRCF Metabolomics Core Facility
(RRID:SCR_026721)

Description: Offers full-service sample analysis to measure concentrations of small molecules in biological samples. Services include targeted and untargeted metabolomic screening, method development to explore novel metabolic pathways and systems. Staff helps with interpretation and visualization of your data, and the preparation of grants, proposals, and manuscripts.

Synonyms: , University of Michigan BRCF Metabolomics Core, University of Michigan BRCF Metabolomics Core Facility

Resource Type: access service resource, core facility, service resource

Keywords: ABRF, concentrations of small molecules measurement, targeted and untargeted metabolomic screening, metabolomic screening,

Resource Name: University of Michigan Medical School BRCF Metabolomics Core Facility

Resource ID: SCR_026721

Alternate IDs: ABRF_3193

Alternate URLs: https://coremarketplace.org/RRID:SCR_026721/?citation=1

Record Creation Time: 20250410T064927+0000

Record Last Update: 20260905T133530+0000

Ratings and Alerts

No rating or validation information has been found for University of Michigan Medical School BRCF Metabolomics Core Facility.

No alerts have been found for University of Michigan Medical School BRCF Metabolomics Core Facility.
