McMaster University Single Cell and Spatial Profiling Core Facility

RRID:SCR_027085

Type: Tool

Proper Citation

McMaster University Single Cell and Spatial Profiling Core Facility (RRID:SCR_027085)

Resource Information

URL: <https://healthresearch.healthsci.mcmaster.ca/single-cell-spatial-profiling-core-facility/#tab-content-ov>

Proper Citation: McMaster University Single Cell and Spatial Profiling Core Facility (RRID:SCR_027085)

Description: Core supports single cell and spatial biology research. Provides services and equipment for analyzing single cells in suspension or tissue sections from mice or humans for discovery and translational research projects. Services include flow cytometry, histology, human immune monitoring, and spatial proteomics and transcriptomics.

Resource Type: access service resource, core facility, service resource

Keywords: single cell, spatial biology, mice, humans, flow cytometry, histology, human immune monitoring, spatial proteomics and transcriptomics,

Resource Name: McMaster University Single Cell and Spatial Profiling Core Facility

Resource ID: SCR_027085

Alternate IDs: ABRF_3267

Alternate URLs: https://coremarketplace.org/RRID:SCR_027085/?citation=1

Record Creation Time: 20250621T055031+0000

Record Last Update: 20260829T183452+0000

Ratings and Alerts

No rating or validation information has been found for McMaster University Single Cell and Spatial Profiling Core Facility.

No alerts have been found for McMaster University Single Cell and Spatial Profiling Core Facility.
