Proper Citation: University of Liverpool Centre for Genomic Research Core Facility (RRID:SCR_027394)

Description: Core facility that provides academic and industrial researchers from around the world with affordable multi-platform sequencing, library preparation, data analysis and related services.

Synonyms: University of Liverpool Centre for Genomic Research (LIV-SRF)

Resource Type: access service resource, service resource, core facility

Keywords: ABRF, genomics, sequencing, library preparation, data analysis,

Availability: Open

Resource Name: University of Liverpool Centre for Genomic Research Core Facility

Resource ID: SCR_027394

Alternate IDs: ABRF_4691
