Bio-Formats

RRID:SCR_000450

Type: Tool

Proper Citation

Bio-Formats (RRID:SCR_000450)

Resource Information

URL: <https://www.openmicroscopy.org/site/products/bio-formats>

Proper Citation: Bio-Formats (RRID:SCR_000450)

Description: Standalone software Java library for reading microscopy image data files in any format and writing image data using standardized, open formats. It currently reads and converts more than 120 file formats to the OME-TIFF data standard.

Abbreviations: Bio-Formats

Synonyms: , BioFormats, Bio-Formats Library, The Bio-Formats Library

Resource Type: software application, software library, software resource, software toolkit, standalone software

Keywords: Java library, reading microscopy image data files, writing image data, standardized format, open format,

Funding: Wellcome Trust

Availability: Free, Available for download, Freely available

Resource Name: Bio-Formats

Resource ID: SCR_000450

Alternate IDs: nif-0000-30175

Alternate URLs: <http://www.force11.org/node/4810>, <http://www.loci.wisc.edu/software/bio-formats>, <https://sources.debian.org/src/libbio-formats-java/>

License: GNU GPL, commercial license from Glencoe Software

Record Creation Time: 20220129T080201+0000

Ratings and Alerts

No rating or validation information has been found for Bio-Formats.

No alerts have been found for Bio-Formats.
