### Resource Information

**URL:** <http://www.bioconductor.org/packages/release/bioc/html/flowWorkspace.html>

**Proper Citation:** flowWorkspace (RRID:SCR\_001155)

**Description:** Software package that facilitates comparison of automated gating methods against manual gating done in flowJo. This package allows you to import basic flowJo workspaces into BioConductor and replicate the gating from flowJo using the flowCore functionality. Gating hierarchies, groups of samples, compensation, and transformation are performed so that the output matches the flowJo analysis.

**Synonyms:** flowWorkspace - Import flowJo Workspaces into BioConductor and replicate flowJo gating with flowCore

**Resource Type:** software resource

**Defining Citation:** [PMID:23020243](#)

**Keywords:** software package, mac os x, unix/linux, windows, r, data import, data representation, flow cytometry, preprocessing

**Availability:** Free, Available for download, Freely available

**Resource Name:** flowWorkspace

**Resource ID:** SCR\_001155

**Alternate IDs:** OMICS\_05616

**Record Creation Time:** 20220129T080205+0000

**Record Last Update:** 20260815T182152+0000

---

### Ratings and Alerts

No rating or validation information has been found for flowWorkspace.

No alerts have been found for flowWorkspace.
