## TALLYMER

RRID:SCR\_001244

Type: Tool

### Proper Citation

TALLYMER (RRID:SCR\_001244)

### Resource Information

**URL:** <http://www.zbh.uni-hamburg.de/?id=211>

**Proper Citation:** TALLYMER (RRID:SCR\_001244)

**Description:** A collection of flexible and memory-efficient software programs for k-mer counting and indexing of large sequence sets. It is based on enhanced suffix arrays which gives a much larger flexibility concerning the choice of the k-mer size. It can process large data sizes of several billion bases.

**Abbreviations:** Tallymer

**Resource Type:** software resource

**Defining Citation:** [PMID:18976482](#)

**Keywords:** k-mer, counting, sequence, genome annotation, genome, annotation, bio.tools

**Availability:** Free, Freely available

**Resource Name:** TALLYMER

**Resource ID:** SCR\_001244

**Alternate IDs:** biotools:tallymer, OMICS\_02096

**Alternate URLs:** <https://bio.tools/tallymer>

**Record Creation Time:** 20220129T080206+0000

**Record Last Update:** 20260829T182047+0000

### Ratings and Alerts

No rating or validation information has been found for TALLYMER.

No alerts have been found for TALLYMER.
