PVCA

RRID:SCR_001356

Type: Tool

Proper Citation

PVCA (RRID:SCR_001356)

Resource Information

URL: <http://www.bioconductor.org/packages/release/bioc/html/pvca.html>

Proper Citation: PVCA (RRID:SCR_001356)

Description: Software package that contains the function to assess the batch sources by fitting all sources as random effects including two-way interaction terms in the Mixed Model (depends on lme4 package) to selected principal components, which were obtained from the original data correlation matrix. This package accompanies the book Batch Effects and Noise in Microarray Experiments, chapter 12.

Abbreviations: PVCA

Synonyms: Principal Variance Component Analysis

Resource Type: software resource

Keywords: microarray

Availability: Free, Available for download, Freely available

Resource Name: PVCA

Resource ID: SCR_001356

Alternate IDs: OMICS_01983

License: GNU Lesser General Public License, v2 or newer

Record Creation Time: 20220129T080207+0000

Record Last Update: 20260815T182157+0000

Ratings and Alerts

No rating or validation information has been found for PVCA.

No alerts have been found for PVCA.
