University of Leeds - Computational Biology Group

RRID:SCR_001956

Type: Tool

Proper Citation

University of Leeds - Computational Biology Group (RRID:SCR_001956)

Resource Information

URL: <http://www.comp-bio.physics.leeds.ac.uk>

Proper Citation: University of Leeds - Computational Biology Group (RRID:SCR_001956)

Description: The University of Leeds Computational Biology Group is an interdisciplinary research group based in the Faculty of Biological Sciences, and is part of the Centre for Nonlinear Studies. Research interests are at the interfaces of nonlinear dynamics, computational science and general physiology of excitable tissue (nervous system, cardiac and uterine muscle). A central theme is the reconstruction of tissue and organ physiology and pathologies from networks of intracellular, membrane and cellular models. Sponsors:

Synonyms: Leeds CBiol

Resource Type: data or information resource, portal, topical portal

Keywords: biological science, cardiac muscle, cellular model, computational biology, intracellular model, membrane model, nervous system, nonlinear study, organ, pathology, physiology, tissue, uterine muscle

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: University of Leeds - Computational Biology Group

Resource ID: SCR_001956

Alternate IDs: nif-0000-10528

Old URLs: <http://www.cbiol.leeds.ac.uk/>

Record Creation Time: 20220129T080210+0000

Record Last Update: 20260919T194950+0000

Ratings and Alerts

No rating or validation information has been found for University of Leeds - Computational Biology Group.

No alerts have been found for University of Leeds - Computational Biology Group.
