Cake

RRID:SCR_002133 Type: Tool

Proper Citation

Cake (RRID:SCR_002133)

Resource Information

URL: http://cakesomatic.sourceforge.net/

Proper Citation: Cake (RRID:SCR_002133)

Description: A bioinformatics software pipeline that integrates four publicly available somatic variant-calling algorithms to identify single nucleotide variants with higher sensitivity and accuracy than any one algorithm alone.

Resource Type: software resource

Defining Citation: PMID:23803469

Keywords: standalone software, unix/linux, mac os x, perl, bio.tools

Funding:

Resource Name: Cake

Resource ID: SCR_002133

Alternate IDs: OMICS_03613, biotools:cake

Alternate URLs: https://bio.tools/cake

Record Creation Time: 20220129T080211+0000

Record Last Update: 20250420T014051+0000

Ratings and Alerts

No rating or validation information has been found for Cake.

No alerts have been found for Cake.

Data and Source Information

Source: SciCrunch Registry

Usage and Citation Metrics

We found 10 mentions in open access literature.

Listed below are recent publications. The full list is available at <u>NIF</u>.
