Center for the Neural Basis of Cognition

RRID:SCR 002301

Type: Tool

Proper Citation

Center for the Neural Basis of Cognition (RRID:SCR_002301)

Resource Information

URL: http://www.cnbc.cmu.edu/

Proper Citation: Center for the Neural Basis of Cognition (RRID:SCR_002301)

Description: CNBC is joint venture of University of Pittsburgh and Carnegie Mellon University. Our center leverages the strengths of the University of Pittsburgh in basic and clinical neuroscience and those of Carnegie Mellon in cognitive and computational neuroscience to support a coordinated cross-university research and educational program of international stature. In addition to our Ph.D. program in Neural Computation, we sponsor a graduate certificate program in cooperation with a wide variety of affiliated Ph.D. programs.

Synonyms: CNBC

Resource Type: organization portal, data or information resource, portal

Keywords: brain, cognition, cognitive abilities, development, disorders, human, human thought, learning, mind, multidisciplinary, neural activity, neural mechanisms, neurobasis, normal, training

Funding:

Resource Name: Center for the Neural Basis of Cognition

Resource ID: SCR_002301

Alternate IDs: nif-0000-00370

Record Creation Time: 20220129T080212+0000

Record Last Update: 20250519T204456+0000

Ratings and Alerts

No rating or validation information has been found for Center for the Neural Basis of Cognition.
