DMPTool

RRID:SCR_002623

Type: Tool

Proper Citation

DMPTool (RRID:SCR_002623)

Resource Information

URL: <https://dmptool.org>

Proper Citation: DMPTool (RRID:SCR_002623)

Description: Free web application which guides users through the process of creating a data management plan (DMP) for a range of funders (NSF, NIH, etc.) and connect users with data management planning resources. The DMPTool allows users to edit, save, share, print, and download their data management plans. Institutions can customize the tool and configure Shibboleth login. Several universities and organizations are developing the DMPTool to help researchers meet these new requirements. In specific, the DMPTool will help researchers: * Create ready-to-use data management plans for specific funding agencies * Meet requirements for data management plans * Get step-by-step instructions and guidance for data management plan * Learn about resources and services available at your institution to fulfill the data management requirements of their grants

Abbreviations: DMPTool

Synonyms: DMP Tool, Data Management Planning Tool

Resource Type: service resource, web application, software resource

Keywords: data management plan, data management
