Triplex

RRID:SCR_003061

Type: Tool

Proper Citation

Triplex (RRID:SCR_003061)

Resource Information

URL: <http://www.bioconductor.org/packages/release/bioc/html/triplex.html>

Proper Citation: Triplex (RRID:SCR_003061)

Description: Software package that provides functions for identification and visualization of potential intramolecular triplex patterns in DNA sequence. The main functionality is to detect the positions of subsequences capable of folding into an intramolecular triplex (H-DNA) in a much larger sequence. The potential H-DNA (triplexes) should be made of as many canonical nucleotide triplets as possible. The package includes visualization showing the exact base-pairing in 1D, 2D or 3D.

Synonyms: triplex - Search and visualize intramolecular triplex-forming sequences in DNA

Resource Type: software resource

Defining Citation: [PMID:23709494](#)

Keywords: software package, mac os x, unix/linux, windows, r, gene regulation, sequence matching, bio.tools

Availability: Free, Available for download, Freely available

Resource Name: Triplex

Resource ID: SCR_003061

Alternate IDs: OMICS_06259, biotools:triplex

Alternate URLs: <http://www.fi.muni.cz/~lexa/triplex/>, <https://bio.tools/triplex>

Record Creation Time: 20220129T080217+0000

Record Last Update: 20260829T182141+0000

Ratings and Alerts

No rating or validation information has been found for Triplex.

No alerts have been found for Triplex.
