NeuronDB

RRID:SCR_003105

Type: Tool

Proper Citation

NeuronDB (RRID:SCR_003105)

Resource Information

URL: http://senselab.med.yale.edu/neurondb

Proper Citation: NeuronDB (RRID:SCR_003105)

Description: Database of three types of neuronal properties: voltage gated conductances, neurotransmitter receptors, and neurotransmitter substances. It contains tools that provide for integration of these properties in a given type of neuron and compartment, and for comparison of properties across different types of neurons and compartments.

Abbreviations: NeuronDB

Synonyms: Neuron DB, Neuron database, Neuron DataBase

Resource Type: service resource, analysis service resource, data or information resource, database, production service resource, data analysis service

Defining Citation: PMID:17510162, PMID:10223520

Keywords: NMDA, LTP, brain, cellular, cerebellum, cortex, dendrite, human, invertebrate, ion channel, molecular, mouse, neuroinformatics, neuron, neuronal property, neurotransmitter receptor, neurotransmitter substance, olfactory, physiology, rat, receptor, retina, voltage gated conductance, rodent, rat, non-human animal

Funding: Human Brain Project;

Multidisciplinary University Research Initiative (MURI);

NIDCD RO1 DC 009977

Availability: Public

Resource Name: NeuronDB

Resource ID: SCR_003105

Alternate IDs: nif-0000-00054

Record Creation Time: 20220129T080217+0000

Record Last Update: 20250514T061239+0000

Ratings and Alerts

No rating or validation information has been found for NeuronDB.

No alerts have been found for NeuronDB.

Data and Source Information

Source: SciCrunch Registry

Usage and Citation Metrics

We found 9 mentions in open access literature.

Listed below are recent publications. The full list is available at NIF.
