MISO

RRID:SCR_003124

Type: Tool

Proper Citation

MISO (RRID:SCR_003124)

Resource Information

URL: <http://genes.mit.edu/burgelab/miso/>

Proper Citation: MISO (RRID:SCR_003124)

Description: Probabilistic framework that quantitates the expression level of alternatively spliced genes from RNA-Seq and identifies differentially regulated isoforms or exons across samples.

Synonyms: Mixture of Isoforms (MISO), Mixture of Isoforms

Resource Type: data analysis software, data processing software, sequence analysis software, software application, software resource

Defining Citation: [DOI:10.1038/nmeth.1528](https://doi.org/10.1038/nmeth.1528)

Keywords: probabilistic framework, framework, bayesian inference, isoform

Availability: Free, Available for download, Freely available

Resource Name: MISO

Resource ID: SCR_003124

Alternate IDs: OMICS_01337

Alternate URLs: <https://github.com/yarden/MISO>

License: GPL 2+ license

Record Creation Time: 20220129T080217+0000

Record Last Update: 20260821T193654+0000

Ratings and Alerts

No rating or validation information has been found for MISO.

No alerts have been found for MISO.

Data and Source Information
