NanoStriDE

RRID:SCR_003407 Type: Tool

Proper Citation

NanoStriDE (RRID:SCR_003407)

Resource Information

URL: http://nanostride.soe.ucsc.edu/

Proper Citation: NanoStriDE (RRID:SCR_003407)

Description: Web application that accepts the raw count data produced by the NanoString nCounter analysis system, normalizes it according to guidelines provided by NanoString Technologies, performs differential expression analysis on the normalized data, and provides a heatmap of the results from the differential expression analysis.

Abbreviations: NanoStriDE

Synonyms: NanoStriDE - NanoString Differential Expression, NanoString Differential Expression

Resource Type: source code, service resource, production service resource, data analysis service, analysis service resource, software resource

Defining Citation: PMID:22177214

Keywords: normalization, differential expression, nanostring ncounter, heatmap

Funding:

Availability: GNU General Public License, v2

Resource Name: NanoStriDE

Resource ID: SCR_003407

Alternate IDs: OMICS_02307

Record Creation Time: 20220129T080218+0000

Record Last Update: 20250429T054828+0000

Ratings and Alerts

No rating or validation information has been found for NanoStriDE.

No alerts have been found for NanoStriDE.

Data and Source Information
