ABIDE

RRID:SCR_003612

Type: Tool

Proper Citation

ABIDE (RRID:SCR_003612)

Resource Information

URL: http://fcon_1000.projects.nitrc.org/indi/abide/

Proper Citation: ABIDE (RRID:SCR_003612)

Description: Resting state functional magnetic resonance imaging (R-fMRI) datasets from 539 individuals with autism spectrum disorder (ASD) and 573 typical controls. This initiative involved 16 international sites, sharing 20 samples yielding 1112 datasets composed of both MRI data and an extensive array of phenotypic information common across nearly all sites. This effort is expected to facilitate discovery science and comparisons across samples. All datasets are anonymous, with no protected health information included.

Abbreviations: ABIDE

Synonyms: Autism Brain Imaging Data Exchange

Resource Type: data or information resource, data set

Keywords: phenotype, resting state functional magnetic resonance imaging, mri, image, fmri

Related Condition: Autism spectrum disorder, Normal

Funding: Leon Levy Foundation ;
Joseph P. Healy ;
Stavros Niarchos Foundation ;
NIMH K23MH087770;
NIMH R03MH096321

Availability: Account required, Creative Commons Attribution-NonCommercial-ShareAlike License, v3

Resource Name: ABIDE

Resource ID: SCR_003612

Alternate IDs: nlx_157761

Record Creation Time: 20220129T080220+0000

Record Last Update: 20260821T193704+0000

Ratings and Alerts

No rating or validation information has been found for ABIDE.

No alerts have been found for ABIDE.
