**Description:** American Donor Services (ADS) is an independent, non-profit organization specializing in tissue donation. Its mission is to improve lives through the gift of donation. ADS honors the spirit of donation by providing caring support to donor families, employing competent staff, and partnering with organizations that are dedicated to the innovative use of tissue for transplantation and research. We are registered with the Food and Drug Administration (FDA). ADS is also accredited with the American Association of Tissue Banks (AATB) and employs dedicated and experienced leadership and staff to sustain our program. The fundamental objective of ADS is to provide the opportunity of donation to individuals who have designated themselves as a donor and families who have the inclination and the potential to have their loved one become a tissue donor. ADS is dedicated to the cause of all donations and as such will support all other organizations in their parallel undertakings. We are committed to providing the best possible serivce to our Donor Families, Hospitals, Medical Donate Life Examiners, Coroners and Funeral Professionals.
