Description: LifeCenter Organ Donor Network, A Donate Life Organization, encourages and coordinates the donation of human organs and tissues for transplantation. In 1981 LifeCenter began operating as an independent, not-for-profit organ procurement organization (OPO) with a mission to save, enhance and change lives through organ and tissue donation. LifeCenter is accredited by the Association for Organ Procurement Organizations (AOPO) and the American Association of Tissue Banks (AATB), and has been approved and designated by the Centers for Medicare and Medicaid Services (CMS) as the primary OPO serving eight counties in Southwestern Ohio, six counties in Northern Kentucky and two counties in Southeastern Indiana. LifeCenter is an institutional member of the United Network for Organ Sharing (UNOS) and follows all the guidelines for organ sharing. The population of LifeCenter's service area is approximately two million people. Within this area there are 30 hospitals that LifeCenter works with to facilitate and coordinate organ and tissue donation. The clinical staff provides 24-hour service for referrals, case management, recovery and organ placement. Our education staff provides programs for schools, civic and community groups, religious institutions and healthcare professionals. Additional services offered by LifeCenter include bereavement services for donor families, volunteer opportunities, and donor drives for area businesses and organizations that facilitate the enrollment of donors.
