Internet Analysis Tools Registry

RRID:SCR_005638
Type: Tool

Proper Citation

Internet Analysis Tools Registry (RRID:SCR_005638)

Resource Information

URL: http://www.cma.mgh.harvard.edu/iatr/

Proper Citation: Internet Analysis Tools Registry (RRID:SCR_005638)

Description: A centrally available listing of all image analysis tools that are available to the neuroscience community in order to facilitate the development, identification, and sharing of tools. It is hoped that this helps the tool developers to get their tools to a larger user community and to reduce redundancy (or at least utilize tool redundancy to facilitate optimal tool design) in tool development. This also helps tool users in identification of the existing tools for specific problems as they arise. The registry is designed to be self-moderated. This means that all tool entries are owned by some responsible party who enters the tool information, and keeps it up to date via the Web.

Abbreviations: IATR

Synonyms: IATR - Internet Analysis Tools Registry

Resource Type: software application, data processing software, image analysis software, software resource, software repository

Keywords: database, tool, neuroimaging, image, analysis

Funding: Human Brain Project

Availability: Public Domain

Resource Name: Internet Analysis Tools Registry

Resource ID: SCR_005638

Alternate IDs: nlx_146252

Record Creation Time: 20220129T080231+0000

Record Last Update: 20250517T055715+0000

Ratings and Alerts

No rating or validation information has been found for Internet Analysis Tools Registry.
