GOanna

RRID:SCR_005684

Type: Tool

Proper Citation

GOanna (RRID:SCR_005684)

Resource Information

URL: <http://www.agbase.msstate.edu/cgi-bin/tools/GOanna.cgi>

Proper Citation: GOanna (RRID:SCR_005684)

Description: GOanna is used to find annotations for proteins using a similarity search. The input can be a list of IDs or it can be a list of sequences in FASTA format. GOanna will retrieve the sequences if necessary and conduct the specified BLAST search against a user-specified database of GO annotated proteins. The resulting file contains GO annotations of the top BLAST hits. The sequence alignments are also provided so the user can use these to access the quality of the match. Platform: Online tool

Abbreviations: GOanna

Synonyms: AgBase GOanna

Resource Type: analysis service resource, data analysis service, production service resource, service resource

Defining Citation: [PMID:17135208](#), [PMID:16961921](#)

Keywords: agriculture, annotation, protein, ontology or annotation search engine, ontology or annotation editor

Funding: USDA ;
Mississippi State University; Mississippi; USA ;
MSU Office of Research ;
MSU Bagley College of Engineering ;
MSU College of College of Veterinary Medicine ;
MSU Life Science and Biotechnology Institute

Availability: Free for academic use

Resource Name: GOanna

Resource ID: SCR_005684

Alternate IDs: nlx_149139

Record Creation Time: 20220129T080231+0000

Record Last Update: 20260829T182937+0000

Ratings and Alerts

No rating or validation information has been found for GOanna.

No alerts have been found for GOanna.
