### Resource Information

**URL:** [http://www.wandora.org/wandora/wiki/index.php?title=Main\\_Page](http://www.wandora.org/wandora/wiki/index.php?title=Main_Page)

**Proper Citation:** Wandora (RRID:SCR\_005689)

**Description:** Wandora is a general purpose information extraction, management and publishing application based on Topic Maps and Java. Wandora has graphical user interface, layered and merging information model, multiple visualization models, huge collection of information extraction, import and export options, embedded HTTP server with several output modules and open plug-in architecture. Wandora is a FOSS application with GNU GPL license. Wandora is well suited for constructing ontologies and information mashups. Wandora is capable of extracting and converting a wide range of open data feeds to topic map formats. Beyond topic map conversion, this feature allows Wandora user to aggregate multidimensional information mashups where information from Flickr interleaves with information from GeoNames and YouTube, for example. Wandora is a software application to build, edit, publish and visualize information graphs, especially topic maps. Wandora is written in Java and suits for \* Collecting, combining, aggregating, managing, refining and publishing information and knowledge graphs \* Designing information, information modeling and prototyping \* Information mashups \* Ontology creation and management \* Mind and concept mapping \* Language technology applications \* Graph visualizations \* Knowledge format conversions \* Digital preservation \* Data journalism \* Open data projects \* Linked data projects Platform: Windows compatible, Mac OS X compatible, Linux compatible, Unix compatible

**Abbreviations:** Wandora

**Resource Type:** software application, software resource

**Keywords:** visualization, ontology, ontology or annotation browser, knowledge management system

**Availability:** Open unspecified license (GNU GPL v3) - Free for academic use

**Resource Name:** Wandora

**Resource ID:** SCR\_005689

**Alternate IDs:** nlx\_149134

**Record Creation Time:** 20220129T080231+0000

**Record Last Update:** 20260829T183046+0000
