IXI dataset

RRID:SCR_005839

Type: Tool

Proper Citation

IXI dataset (RRID:SCR_005839)

Resource Information

URL: <http://brain-development.org/ixi-dataset/>

Proper Citation: IXI dataset (RRID:SCR_005839)

Description: Data set of nearly 600 MR images from normal, healthy subjects, along with demographic characteristics, collected as part of the Information eXtraction from Images (IXI) project available for download. Tar files containing T1, T2, PD, MRA and DTI (15 directions) scans from these subjects are available. The data has been collected at three different hospitals in London: * Hammersmith Hospital using a Philips 3T system * Guy's Hospital using a Philips 1.5T system * Institute of Psychiatry using a GE 1.5T system

Abbreviations: IXI dataset

Synonyms: Information eXtraction from Images dataset

Resource Type: data set, portal, project portal, data or information resource

Keywords: neuroimaging, structural mri assay, magnetic resonance angiography, nifti, t1, t2, pd, dti, demographic, normal, healthy, adult, mri, brain, image collection

Related Condition: Normal, Healthy

Funding: EPSRC GR/S21533/02

Availability: Acknowledgement requested

Resource Name: IXI dataset

Resource ID: SCR_005839

Alternate IDs: nlx_149360

Alternate URLs: <http://brain-development.org/>

Record Creation Time: 20220129T080232+0000

Record Last Update: 20250417T065235+0000

Ratings and Alerts

No rating or validation information has been found for IXI dataset.

No alerts have been found for IXI dataset.
