WashU Epigenome Browser

RRID:SCR_006208

Type: Tool

Proper Citation

WashU Epigenome Browser (RRID:SCR_006208)

Resource Information

URL: <http://epigenomegateway.wustl.edu/>

Proper Citation: WashU Epigenome Browser (RRID:SCR_006208)

Description: Software tool for visualizing and interacting with whole-genome datasets. Browser hosts Human Epigenome Atlas data produced by Roadmap Epigenomics project, but its use of advanced, multi-resolution data formats and its user-friendly interface make it possible for investigators to upload and visualize their own data as custom tracks. Developed and maintained by Epigenome Informatics Group at Washington University in St. Louis.

Abbreviations: Human Epigenome Browser

Synonyms: WashU Epigenome Browser, WashU Genome Browser, Human Epigenome Browser at Washington University

Resource Type: data analysis software, data or information resource, data processing software, data set, software application, software resource, source code

Defining Citation: [PMID:22127213](#)

Keywords: epigenomics, genome browser, visualization, clustering, genome, sequencing, next-generation sequencing, virus

Availability: Free, Freely available

Resource Name: WashU Epigenome Browser

Resource ID: SCR_006208

Alternate IDs: OMICS_00629, nlx_151754

Alternate URLs: <http://epigenomegateway.wustl.edu/browser/>

Record Creation Time: 20220129T080234+0000

Record Last Update: 20260821T193800+0000

Ratings and Alerts

No rating or validation information has been found for WashU Epigenome Browser.

No alerts have been found for WashU Epigenome Browser.
