StemCellDB

RRID:SCR_006305

Type: Tool

Proper Citation

StemCellDB (RRID:SCR_006305)

Resource Information

URL: <http://stemcelldb.nih.gov/public.do>

Proper Citation: StemCellDB (RRID:SCR_006305)

Description: Database characterizing and comparing pluripotent human stem cells. The growth and culture conditions of all 21 human embryonic stem cell lines approved under the August 2001 Presidential Executive Order have been analyzed. Available to the scientific community are the results of our rigorous characterization of these cell lines at a more advanced level.

Abbreviations: hES Cell Database

Synonyms: NIH Stem Cell Database

Resource Type: database, data or information resource

Defining Citation: [PMID:23117585](#)

Keywords: human pluripotent stem cell, human embryonic stem cell line, gene expression, pluripotent, adult, affymetrix microarray platform, agilent microarray platform, gene, stem cell, affymetrix, agilent, microarray, snp, array cgh, methylation, mirna array

Funding: NINDS

Availability: Public

Resource Name: StemCellDB

Resource ID: SCR_006305

Alternate IDs: nlx_151996

Record Creation Time: 20220129T080235+0000

Record Last Update: 20250412T055043+0000

Ratings and Alerts

No rating or validation information has been found for StemCellDB.

No alerts have been found for StemCellDB.
