## BenchWise

RRID:SCR\_006364

Type: Tool

### Proper Citation

BenchWise (RRID:SCR\_006364)

### Resource Information

**URL:** <http://www.benchwise.org/>

**Proper Citation:** BenchWise (RRID:SCR\_006364)

**Description:** Repository of peer reviews of antibodies to help scientists find the right tools fast. Researchers from schools including Stanford, Harvard, John Hopkins have contributed reviews of over 1500 antibodies. Most of these reviews contain experimental details that are hard to find in publications and yet crucial for the success of antibody usage. In addition, scientists are enabled to connect through knowledge of expertise, as members are required to use their real names and lab affiliations. BenchWise is currently open to a select list of leading research institutes and is completely free. Scientists waste over 100 hours a year on either bad antibodies or finding out the right antibody usage condition, despite the fact that someone, somewhere likely has already done the same. They want to solve this problem by enabling scientists to share their product usage knowledge. Antibody records that are documented in spreadsheets are also accepted and will be parsed into individual reviews and uploaded to save you time.

**Abbreviations:** BenchWise

**Resource Type:** data or information resource, database, knowledge environment

**Keywords:** antibody, review, peer review

**Availability:** Free, Open unspecified license, (to academic users only), The community can contribute to this resource

**Resource Name:** BenchWise

**Resource ID:** SCR\_006364

**Alternate IDs:** nlx\_152105

**Record Creation Time:** 20220129T080235+0000

**Record Last Update:** 20260821T193805+0000
