Functional Connectivity Toolbox

RRID:SCR_006394

Type: Tool

Proper Citation

Functional Connectivity Toolbox (RRID:SCR_006394)

Resource Information

URL: <https://sites.google.com/site/functionalconnectivitytoolbox/>

Proper Citation: Functional Connectivity Toolbox (RRID:SCR_006394)

Description: MATLAB toolbox for performing functional connectivity analyses includes many of the most commonly-used approaches researchers have utilized to date for the identification of condition-dependent functional interactions between fMRI time-series obtained from two or more brain regions. The approaches are either bivariate or multivariate methods defined in time or frequency domains that emphasize distinct features of relationships among the time-series.

Abbreviations: Functional Connectivity Toolbox

Resource Type: data analysis software, data processing software, software application, software resource, software toolkit

Defining Citation: [PMID:19520177](#)

Keywords: functional connectivity, fmri, matlab, brain region, brain, function, connectivity, neuroimaging, time-series

Funding: NIMH K25 MH076981-01;
NSF DMS-0904825;
NIMH MH074807;
NIMH MH082998

Availability: Free

Resource Name: Functional Connectivity Toolbox

Resource ID: SCR_006394

Alternate IDs: nlx_152228

Record Creation Time: 20220129T080235+0000

Record Last Update: 20260903T234837+0000

Ratings and Alerts

No rating or validation information has been found for Functional Connectivity Toolbox.

No alerts have been found for Functional Connectivity Toolbox.
