NIST Standard Reference Data

RRID:SCR_006452

Type: Tool

Proper Citation

NIST Standard Reference Data (RRID:SCR_006452)

Resource Information

URL: <http://www.nist.gov/srd/>

Proper Citation: NIST Standard Reference Data (RRID:SCR_006452)

Description: For over 40 years, NIST has provided well-documented numeric data to scientists and engineers for use in technical problem-solving, research, and development. These recommended values are based on data which have been extracted from the world's literature, assessed for reliability, and then evaluated to select the preferred values. These data activities are conducted by scientists at NIST. NIST Data Gateway provides easy access to many (currently over 80) of the NIST scientific and technical databases. These databases cover a broad range of substances and properties from many different scientific disciplines. The Gateway includes links to free online NIST data systems as well as to information on NIST PC databases available for purchase.

Abbreviations: NIST SRD

Synonyms: Standard Reference Data (SRD), National Institute of Standards and Technology Standard Reference Data, NIST Standard Reference Data (SRD)

Resource Type: data or information resource, database, knowledge environment, narrative resource, organization portal, portal, standard specification

Resource Name: NIST Standard Reference Data

Resource ID: SCR_006452

Alternate IDs: nlx_144072, r3d100011139

Alternate URLs: <https://doi.org/10.17616/R3CG9F>

Record Creation Time: 20220129T080236+0000

Record Last Update: 20260829T182240+0000

Ratings and Alerts

No rating or validation information has been found for NIST Standard Reference Data.

No alerts have been found for NIST Standard Reference Data.

Data and Source Information
