## Urologic Diseases in America

RRID:SCR\_006644

Type: Tool

### Proper Citation

Urologic Diseases in America (RRID:SCR\_006644)

### Resource Information

**URL:** <http://kidney.niddk.nih.gov/statistics/uda/>

**Proper Citation:** Urologic Diseases in America (RRID:SCR\_006644)

**Description:** A report incorporating current and retrospective data on all aspects of the epidemiology, practice patterns, costs, and impact of urologic diseases in the United States and is intended for use by public officials, nongovernment organizations, the media, academic researchers, health professionals, and the public. The UDA compendium consists of data tables annotated in chapters that amplify the data analyses. The objectives of the UDA project include: secondary data analyses of: changes in the overall healthcare burden for individual urologic diseases, in physician practice patterns for each urologic disease, and in demographics of persons with urologic disease, the impact of specific urologic diseases, especially diseases of the prostate, on the minority populations of the U.S., and documentation of new and evolving therapies for urologic disease and their cost.

**Abbreviations:** UDA

**Synonyms:** Urologic Diseases in America Compendium, UDA Compendium

**Resource Type:** human subject report

**Keywords:** epidemiology, urology, diagnosis, risk factor, prevalence, treatment, urological disease, report, practice pattern, data table, data analysis, prostate

**Related Condition:** Urologic disease

**Funding:** National Institute of Diabetes and Digestive and Kidney Diseases

**Availability:** Public, Acknowledgement requested

**Resource Name:** Urologic Diseases in America

**Resource ID:** SCR\_006644

**Alternate IDs:** nlx\_152720

**Record Creation Time:** 20220129T080237+0000

**Record Last Update:** 20260815T182325+0000
